FEATURED CHRISTMAS WORKSHOPS

[Vegetarian & Vegan Christmas](#) - Sunday, December 4th

Preparing food for Christmas can sometimes present difficulties if you're a vegetarian or vegan; or if you're catering for vegetarian/vegan friends and family. We all tend to think 'nut roast' and then what?

Well, the answer is here in the shape of talented cook and food blogger, Katy Beskow (aka Little Miss Meat Free) and her repertoire of wonderful, Christmas-inspired recipes.

There's just a few places left on Katy's class, so [book your place](#) today.

[Christmas Breads](#) - Saturday, November 26th

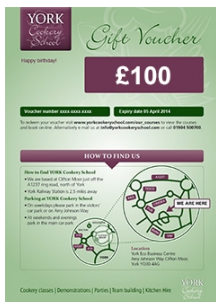

There's nothing quite like the aroma of freshly baked bread and it's even better when you add in the festive spice of Christmas!

Join our talented chef, Keith Miller, to learn all the secrets behind creating your very own German stollen and festive Swedish tea-ring and have a very merry time in the process.

Simply go to the website to [book your place](#).

OUR VOUCHERS; THE PERFECT CHRISTMAS GIFT

A [YORK Cookery School voucher](#) is the perfect Christmas present for the cooking enthusiast in your life; especially if you add an embroidered [YORK Cookery School apron](#) to your order! That way they'll have a parcel to unwrap on the big day.

(You can add an apron to your basket when you buy a class or voucher and then choose to have it posted out to you.)

A voucher is the perfect gift if you're unsure which class they may like to attend, giving them the choice of classes and dates.

Vouchers are sent by email for you to print at home which makes them perfect for that very last minute gift.
